### Baggage Rules and Fees

Additional baggage fees may apply. For more details, click here: [Baggage and Carry-On Fees](#). Since the baggage fees may change, we recommend that you contact the airline you are traveling on for the latest information regarding [airline](#) specific baggage rules, requirements and fees.

## Seats

If you have requested a seat to be assigned, we will send your request to the airline. Airline may or may not be able to confirm your request. We recommend that you choose our [Enhanced Seat Assignment](#) program for specialized seating allocation assistance by our dedicated seat assignment team. At times airlines may not be able to assign specific seats or seats sitting together. Occasionally seats can be assigned only at the check-in counter at the airport.

## Voluntary Changes

Although most itineraries ticketed by CheapOair allow for changes, the majority of these itinerary changes require the issuance of a new ticket, as per airline policy. All changes are subject to availability, airline rules and regulations, penalties and a difference from the original airfare and our service fees. The airline has the final authority regarding itinerary changes and penalties.

## Involuntary Changes (Changes done directly by the airline)

Airlines may make changes to a scheduled flight itinerary that is beyond our control. In these cases, if the airline notifies us with a viable option, we will send you an e-mail with the changes as well as the option the airline is offering. If the airline does not provide us with a viable option, as a valued customer, your reservation will be reviewed and assisted by one of our Schedule Change Specialists.

## Travel Protection

We recommend that you protect your investments by purchasing Travel Protection. The coverage will become effective only once the insurance premium is received in full. The coverage you have purchased will only cover the arrangements booked through the website in which you purchased your protection plan. You should review detailed rules on the protection plan by reading the [Description of Coverage](#).

## Valid Photo I.D.

A valid government photo I.D. must be presented by all travelers in order to board domestic flights. Minors traveling domestically with parents generally do not need a photo I.D. If traveling with children less than two (2) years old, a birth certificate may be needed to confirm the infant's age. [More Information](#).

## Passport / Visa

For international travel, all passengers must be in possession of valid travel documents such as ticket, passport, visas, transit visas, Schengen Visas and all other entry permits. Your passport must be valid for 6 months after your return date. While sometimes we may be able to assist with visa and passport information, it is solely the responsibility of the passenger(s) to arrange for all documents needed to enter the country you are traveling to, or passing through in transit. Please note, a roundtrip or ongoing ticket may be required for certain international cities. If you are traveling one way, please verify with the airline or Consulate General to prevent any issues at time of boarding.

fare change within three (3) business days. As a courtesy to our valued customers, CheapOair will absorb the difference of the fare up to \$25.00 per passenger. In the event that the fare difference is higher than \$25.00, you will have the option to not purchase this ticket and your credit card will not be charged.
