Visa information:

National of ITALY / ALL PASSENGERS

Visa required: USA / ESTA REQUIRED SEE BELOW FOR MORE INFORMATION

Responsibility rests with the traveller to check they have all necessary visas, documents and sufficient passport validity and blank pages for the countries they are visiting. Most countries require that a passport be valid for at least six months beyond the completion of a trip. If your passport expires sooner than that, you must apply to renew your passport.

Entry and visa requirements can be found on our website www.keytravel.com/visadatabase

Please note that although we do our best to keep this information up-to-date, passport and visa regulations are subject to constant change; Key Travel cannot be held liable for any costs incurred as a result of a traveller being refused boarding or entry. Please ensure that you check passport and visa requirements directly with the foreign office or the relevant embassy before travel. Up-to-date travel information and travel safety and health advice can be viewed at www.fco.gov.uk and we recommend all travellers check this site before travel.

TSA Information:

USA Airspace— The TSA (US Transportation Security Administration) have the requirement for carriers to collect and submit Secure Flight Passenger Data (SFPD) information from customers flying over U.S. airspace, including flights which originate or terminate in the USA, at least 72 hours before departure. Without this information airlines inhibit Key Travel's ability to issue tickets which may result in your reservation increasing in price or being cancelled.

Please provide full passport names including middle names, date of birth and gender information per passenger before instruction to issue in order to meet this requirement.

Key Travel Emergency Contact:

Contact your reservation team for any travel enquires during Key Travel office hours (UK time: 08.45-17.30 Mon-Fri, 0900-1300 Saturdays). In the event of an emergency outside office hours contact +44 (0)20 7843 9602 where you will be put in touch with a Key Travel consultant.

Important Information:

- To avoid delays at check-in: Please supply us with the passengers:
Passport no./ expiry date / country of issue / place & date of birth, so we can inform the airline or you can add it to the Airlines website prior to departure.
- British Airways requires all bookings to include a passenger's email and mobile number. If you have not already provided this, please advise your dedicated reservations team at your earliest convenience. This is a mandatory requirement by BA.
- BA online check-in: This service is only available on BA operated flights and when BA is the sole airline in the itinerary.
- Baggage Allowances: Please note that the baggage allowance to the Americas and within the Americas has changed. For further information on baggage allowance please visit the Airlines website before travel.
- If your booking includes flights or other scheduled transport, each section must be used in the order booked. Failure to complete the journey in the booked order on the scheduled time and date (including no shows) without prior arrangement with Key Travel or the travel provider will result in the remaining itinerary becoming invalid and the entire booking holding no refund value.

return value.

- **Please ensure your name appears as per your passport, failure to do so may result in denied boarding.** Should your name not be identical to your passport, please advise Key Travel immediately. Name update policies vary between airlines and, if permitted, all charges incurred will be the responsibility of the customer.
- Pre-allocation of seats and meals cannot be guaranteed, the airline reserves the right to change at any time.
- **New Traveller profiles:**
We recommend a traveller profile is created for those who travel regularly. The most secure way to create a profile is via the Key Travel website <https://www.keytravel.com> (log in and go to 'Profile Manager' button).
Alternatively, please contact a Key Travel reservation consultant who can email a profile link directly
- **Travel to United States of America**

Visa entry requirements into the U.S:

You may be eligible to enter the U.S under the Visa Waiver Scheme. If applicable you must hold a machine readable passport and MUST REGISTER on esta.cbp.dhs.gov at least 72 hours before departure. You can Travel to the US for 90 days max under the visa waiver scheme, except if you've ever been arrested or had a problem with US immigration. If you are unable to travel under the Visa Waiver Scheme you MUST obtain a Visa prior to departure by applying in person to the U.S Embassy. From 21 January 2016 most people who have travelled to Iran, Iraq, Sudan, Syria, Libya, Somalia or Yemen since March 2011, or are dual nationals of these countries, will no longer qualify for entry under the VWP and existing ESTAs could be revoked. You will instead need to apply for a visa from the nearest US Embassy or Consulate. Additionally, from 1 April 2016, all travellers wishing to enter the US under the VWP will need to hold a passport with an integrated chip (an ePassport). British passports issued since October 2006 are ePassports and carry this internationally recognised symbol on the front cover. Full details of the recently updated advice can be found here : travel.state.gov/content/travel/en.html

Enhanced Security screening:

US Department of Homeland Security announced that it would begin implementing separate enhanced security screening procedures for all commercial flights to the US. Customers who are boarding flights to the US may be requested to have additional checks on their electronic devices by airport security personnel. The electronic devices which may be subject to these additional checks include any phones larger than 16cm in length, 9.3cm in width and 1.5cm in depth), laptops, tablets, e-readers, power cables and their transformers. If you have any concerns with any of your devices we would advise that you either leave these items at home or place these items into your hold luggage. Please be aware that batteries and power banks cannot be carried in your hold luggage, and will have to be carried in your hand luggage. Please also note that when airport security personnel check your devices they may be confiscated or destroyed if they show any signs of the below:

- Internal or external damage to the device
- Device having been tampered with
- If the device cannot be removed from a protective case
- If the device triggers the explosives trace detection alarm

- **Travel to the United Kingdom – Electronic devices restriction**
The electronic devices and electrical items you're allowed to take on a flight depend on the country and airport you're travelling to the UK from. Some airlines might also have different restrictions.
Check with your airline before you travel if you're not sure about what you can take as hand luggage.
- Please note your British Airways fares are based on a fixed US dollar price and are therefore subject to fluctuation with the exchange rate. The UK sterling price will be fixed on the day we receive your confirmation to issue the tickets.
- Please check www.ba.com and manage your booking to view your luggage allowance applicable to each sector on your itinerary.
- You can view your baggage allowance by accessing "Manage My Booking" on www.ba.com .
