

Conference day 1: Thursday 14 June 2018	
<b>Opening session:</b> <b>Shifting focus from a mature local market to international mining standards and demand</b> <b>Chairman: Serge Bilambo, Head of Mining and Metals, Standard Bank DRC</b> <b>Sponsored by:</b> 	
<p><i>"World trade means competition from anywhere; advancing technology encourages cross-industry competition. Consequently, strategic planning must consider who our future competitors will be, not only who is here today."</i> <b>Eric Allison</b></p>	
09:00	<b>Welcome from the organisers</b> <i>Emmanuelle Nicholls, Group Director, Spintelligent, South Africa</i>
09:05	<b>Presenting innovative and effective banking solutions to support existing mining and new, upcoming operations</b> <i>Amedeo Anniciello, CEO, Standard Bank, DRC</i>
09:15	<b>Welcome address: Empowering the mining industry to transform and propel the province forward</b> <i>Celestin Pande Kapopo, Governor of Haut Katanga, DRC</i>
09:35	<b>Annual report presentation and perspectives for the industry: Outlook of metals and minerals in 2018</b> <i>Simon Tuma Waku, Vice President, Chamber of Mines, DRC</i>
09:50	<b>Ministerial address: Revised mining code: What are the prospects for the mining sector in DRC?</b> <i>H.E. Martin Kabwelulu Labilo, Minister of Mines, Ministry of Mines, DRC*</i>
10:05	<b>Ministerial address: Mining industry's performance in the DRC's economy: The impact of the mining code on public revenues: what assurance for operators?</b> <i>Henri Yav Mulang, Minister of Finances, Ministry of Finances, DRC*</i>
10:15	<b>Prime ministerial address: Official opening of DRC Mining Week</b> <i>Bruno Tshibala, Prime Minister, Government Republic Democratic of Congo, DRC*</i>
10:30	<b>Opening of the exhibition and refreshment break</b>
<b>Session 1.1:</b> <b>MINING CODE:</b> <b>Where are we going and where is the silver lining?</b> <b>Chairman: Louison Kiyombo, Partner, KPMG, DRC</b>	
11:20	<b>Panel discussion:</b> <ul style="list-style-type: none"> <li>• What does the new mining code mean for the DRC?</li> <li>• What are the main changes? What should mining investors and operators expect?</li> <li>• Cobalt: A key strategic mineral... is it the only one?</li> <li>• Will the global demand override the financial impact of the new mining code?</li> <li>• How can the DRC remain competitive on the global market?</li> <li>• Will the increase in royalties affect mineral production in the DRC?</li> </ul> <b>Presented by:</b> <ul style="list-style-type: none"> <li>• <i>Mark Bristow, Chief Executive Officer, Randgold, UK</i></li> <li>• <i>André Kapanga, Director General, Tenke Fungurume Mining Kinshasa, DRC</i></li> <li>• <i>Bertrand Montembault, Attorney - Bar of Paris, Herbert Smith Freehills South Africa LLP, South Africa</i></li> <li>• <i>Teddy Kabogo Mudao, Tax Manager, Ivanhoe Mines, DRC</i></li> <li>• <i>Jean Felix Mupande, Executive Director, Mining Cadastre, DRC</i></li> <li>• <i>Jean-Marie Tshizainga Sanama Popa, Lualaba Provincial Minister, Ministry of Mines, DRC</i></li> </ul>
12:20	<b>Q&amp;A Session</b>
12:40	<b>Networking lunch</b>

**13 - 15 June 2018, Lubumbashi, DRC**

<p><b>Session 1.2:</b>  <b>Finding balance between financial discipline and economics:</b>  <b>Driving sustainable productivity and guaranteeing bankable projects</b>  <b>Chairman: John Mbuluku M. Expert in Public Finance, Congo Central Bank, DRC</b>  <b>Sponsored by:</b></p> 	
14:00	<p><b>Projects development: Identify sustainable and financeable projects with a potential for growth</b>  <i>Mazwi Tunyiswa, Head of Basic Mining &amp; Metals Industries SBU, IDC, South Africa</i></p>
14:10	<p><b>Panel discussion</b></p> <ul style="list-style-type: none"> <li>• Projects finance and risks assessment in the midst of the new mining code</li> <li>• Financing junior mining projects: What are the criteria and requirements to unlock funds?</li> <li>• Looking at innovative financing tools: Revenue-based, private capital and financial equity markets, government-backed bank loans and bonds, public funds, crowd funding</li> <li>• How can countries like the Netherlands contribute towards making financial flows within the mining sector more transparent?</li> <li>• New-comers: What incentives are being provided from a macro and micro financial model perspective?</li> <li>• What insurance policy plan is in place for the existing mining operators and new-comers?</li> <li>• Assessing the market: How can junior miners position themselves for growth?</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li>• <i>Gaëtan E. Munkeni, Regional Director, FBN Bank, DRC</i></li> <li>• <i>Jean Jacques Mukula, Assurance &amp; Advisory Partner, PwC, DRC</i></li> <li>• <i>Richard Robinson, Managing Director, Alphamin Bisie Mines, DRC</i></li> <li>• <i>Hon. Robert Schuddeboom, Ambassador of the Kingdom of the Netherlands in DRC and the Republic of Congo</i></li> <li>• <i>Raymond Ngwej Tshulu, Provential Executive Chief, National Agency for Investment Promotion, DRC</i></li> <li>• <i>Mazwi Tunyiswa, Head of Basic Mining &amp; Metals Industries SBU, IDC, South Africa</i></li> <li>• <i>Louis Watum, Managing Director-DRC Operations, Ivanhoe Mines, DRC</i></li> </ul>
15:10	<b>Q&amp;A Session</b>
15:30	<b>Refreshment break</b>
<p><b>Session 1.3</b>  <b>Becoming a “serial innovator”:</b>  <b>What is the recipe for success to reach international standards, match demand and remain competitive?</b>  <b>Chairman: John Nsana Kanyoni, Vice-President, Chamber of Mines, DRC</b></p>	
15:50	<p><b>Panel discussion:</b></p> <ul style="list-style-type: none"> <li>• Digital revolution: Can DRC start to reinvent its operating model?</li> <li>• What are the skills and the capabilities gaps to improve the way companies operate?</li> <li>• The vision of electric vehicles, is DRC ready to compete in lithium and cobalt?</li> <li>• What should the mining industry do differently to mitigate the lack of geospatial data as a way to incentivise potential investors?</li> <li>• Technology is key: Introducing full automation, artificial intelligence and innovative outsourcing</li> <li>• How can technology leverage the enforcement of the mining code by achieving high production levels?</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li>• <i>Ndimi Bodika, Directeur, General Electric, Central Africa, Cameroon</i></li> <li>• <i>Ruddy Kielo Lingela, Chief Executive Officer, Odigroup, DRC</i></li> <li>• <i>Dorotheé Mwewa Masele, Senior Social Communication Specialist, Tenke Fungurume Mining, DRC</i></li> <li>• <i>Mayer Ngomesia, Mineral Sector Governance Advisor, United Nations, Ethiopia</i></li> <li>• <i>Jean- Pierre Okenda, Country Manager, Natural Resource Governance Institute, DRC</i></li> </ul>
16:50	<b>Q&amp;A Session</b>
17:20	<b>End of day 1</b>
18:00	<b>Networking function</b>

Conference day 2: Friday 15 June 2018	
<p><b>Session 2.1</b>  <b>Commodity Breakfast: Who is taking the spot on the podium?</b>  <b>Chairman:</b> <i>Laura Cornish, Editor, Mining Review Africa, South Africa</i></p> <p><i>Sponsored by:</i></p> 	
07:30	<p><b>Building a success story:</b>  <b>Development of an industrial tin mine in North Kivu</b>  <i>Richard Robinson, Managing Director, Alphamin Bisie Mines, DRC</i></p>
07:40	<p><b>Panel discussion:</b></p> <ul style="list-style-type: none"> <li>• What future lies for other minerals in the DRC's economy: diamond, lithium, gold, tin, and coltan</li> <li>• What impact will the mining code have on the mineral production</li> <li>• What business model DRC should look at to strategically improve its local market?</li> <li>• Business movement: What can be done to create a processing plant to match the demand and supply of minerals?</li> <li>• Update on key projects in expansion</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li>• <b>Gold:</b> <i>Mark Bristow, CEO, Randgold, UK</i></li> <li>• <b>Cobalt:</b> <i>André Kapanga, Director General, Tenke Fungurume Mining Kinshasa, DRC</i></li> <li>• <b>Copper:</b> <i>Gustave Nzengezi Rubuz, Chairman Board of Directors, Kamoto Copper Company SA, Kolwezi, DRC</i></li> <li>• <b>Tin:</b> <i>Richard Robinson, Managing Director, Alphamin Bisie Mines, DRC</i></li> <li>• <b>Copper:</b> <i>Louis Watum, Managing Director – DRC Operations, Ivanhoe Mines, DRC</i></li> </ul>
09:00	Refreshment Break
09:30 – 10:30	<p><b>CEO Roundtable (by invitation only)</b>  <b>Chairman:</b> <i>Mabolia Yenga, Coordinator, Promines, DRC</i></p>
<p><b>Session 2.2</b>  <b>Driving DRC towards a modernised mining and industrial hub for trade and bilateral business</b>  <b>Chairman:</b> <i>Jean Jacques Mukula, Assurance &amp; Advisory Partner, PwC, DRC</i></p> <p><i>Sponsored by:</i></p> 	
09:30	<p><b>Understanding custom tariffs in the development of the mining industry in DRC</b></p> <ul style="list-style-type: none"> <li>• <i>Simon Nzuka Mapengo, Deputy General Manager, DGDA, DRC</i></li> <li>• <i>Eric Hatta, Deputy Director, DGDA, DRC</i></li> </ul>
09:40	<p><b>Panel discussion:</b></p> <ul style="list-style-type: none"> <li>• What strategy governors could put in place to expand border posts to facilitate the import and export of minerals? The case of Zambia and Kolwezi.</li> <li>• Creating a business exchange system: How to improve the efficiency of the five trading corridors to reduce the trading cost caused by the delays?</li> <li>• Namibia as a trade route for DRC: Potentials for faster and more cost effective export-import services</li> <li>• Welcoming Chinese investors and operators: How do they grow the DRC mining sector and what are they focusing on?</li> <li>• How to evacuate minerals after production using rail and sea as an alternative route?</li> <li>• How to boost the regional integration and improve free circulation of trade for economic growth in the SADC regions?</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li>• <i>Eric Kalala, Managing Director, Bolloré Transport &amp; Logistics, DRC</i></li> <li>• <i>Richard Muyej Mangez Mans, Governor, Governorate, DRC</i></li> <li>• <i>Vuyiswa Mafu, Export Promotion Manager, Zimtrade, Zimbabwe</i></li> <li>• <i>Simon Nzuka Mapengo, Deputy General Manager, DGDA, DRC</i></li> </ul>

**13 - 15 June 2018, Lubumbashi, DRC**

	<ul style="list-style-type: none"> <li><i>Jean Felix Mupande, Executive Director, Mining Cadastre, DRC</i></li> <li><i>Hon. M Shilubane, South African Ambassador, DRC*</i></li> <li><i>Clive M Smith, Project Manager-Logistics Hub, Walvis Bay Corridor Group, Namibia</i></li> </ul>
<b>10:40</b>	<b>Q&amp;A Session</b>
<b>11:00</b>	<b>Refreshment break on exhibition floor</b>
<b>Session 2.3</b> <b>Sharpening fresh talents and finding skilled labour:</b> <b>Investing in workforce diversity and performance to streamline operations</b> <b>Chairman: Guy Muswill, Head of Sustainability, Ivanhoe Mines, DRC</b>	
<b>11:30</b>	<b>Panel discussion:</b> <ul style="list-style-type: none"> <li>Training and development: What is the best approach to integrate the youth?</li> <li>Investing into research and education: What is required by government to develop vocational training programs?</li> <li>Private and public collaboration: How government and private companies could involve universities in their research process and internship programmes?</li> <li>How to reinvigorate the CRGM Centre to increase research in the DRC?</li> <li>What impact the mining code will have on subcontractors and human resources?</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li><i>Hilaire Elenga, Director General, Centre of Géology and Mining Research, Congo</i></li> <li><i>Lucine Le Moal, Regional Director, ELAN RDC</i></li> <li><i>Djo Moupondo, Chief Executive Officer, Sodeico, DRC</i></li> <li><i>Cyrille Mutombo, Director, Kibali, DRC</i></li> </ul>
<b>12:30</b>	<b>Q&amp;A session</b>
<b>12:50</b>	<b>Network lunch</b>
<b>Session 2. 4</b> <b>Community development:</b> <b>From dependency to partnership and self-empowerment</b> <b>Chairman: Dorothee Mwewa Masele, Senior Social Communication Specialist, Tenke Fungurume Mining, DRC</b>	
<b>14:20</b>	<b>Promotion of gender diversity and inclusion in the mining sector</b> <i>Ariane Bakwene, Project - Civil Engineer, MMG, DRC</i>
<b>14:30</b>	<b>Panel discussion:</b> <ul style="list-style-type: none"> <li>How to empower local cooperatives to move from the repetitive dependent state to complete independence?</li> <li>Community rights: How to transform ASMs into recognized cooperatives to benefit from their revenue?</li> <li>What are the business models that have capacity transfer models that could serve as an example for the DRC?</li> <li>Artisanal Mining: How to integrate women in more descent jobs around mining activities?</li> <li>Social licence to operate: Following the guidelines from the International Council of Mining and Metals (ICMM) and EITI.</li> <li>Rethinking the mining value chain: from energy and water management, mine closure impact and climate change adaptation.</li> <li>Are local entities ready to pay a portion of the royalties' revenue?</li> </ul> <p><b>Presented by:</b></p> <ul style="list-style-type: none"> <li><i>John Mukonda Bwime, Head of Katanga Branch, support service for the supervision of artisanal and small-scale mining production, DRC</i></li> <li><i>Thierry Kabamba, Head of Haut Katanga Branch, EITIE, DRC</i></li> <li><i>Kelly Kambia Wa Kapenda, Executive Secretary, National Network of Women in Mines, DRC</i></li> <li><i>Cyprien Susa Maleba, Director Chairman, SRK Consulting, DRC</i></li> <li><i>Florent Musha, Coordinator, Platform of Civil Society Organizations Working in the Mining Sector, DRC</i></li> <li><i>Guy Muswil, Head of Sustainability, Ivanhoe Mines, DRC</i></li> <li><i>Jean- Pierre Okenda, Country Manager, Natural Resource Governance Institute, DRC</i></li> </ul>
<b>15:30</b>	<b>Q&amp;A session</b>
<b>15:50</b>	<b>Refreshment break at the exhibition floor</b>

<b>Session 2.5</b> <b>How mining companies could work together:</b> <b>Implementing security measures around the mines, to prevent violence and attacks from illegal mine diggers</b> <b>Chairman: Luck Mumba, CSR head, Eurasian Resources Group Africa, DRC</b>	
<b>16:10</b>	<p><b>Interview with giants:</b></p> <p>Illegal mining is a critical issue that needs to be addressed, not only for the sake of the industry but also in the interests of the environment, security of mine employees, communities and in the best interests of illegal miners themselves.</p> <p>Illegal mining has a range of negative social and financial impacts because of loss of revenue, taxes, employment opportunities, capital expenditure, exports, foreign exchange earnings, procurement, etc.</p> <p>Let's hear from the mining giants on the challenges they have been facing in their mines and use this session to develop long-term solutions.</p> <p><b>Participants:</b></p> <ul style="list-style-type: none"> <li>• <i>Mark Bristow, CEO, Randgold, UK</i></li> <li>• <i>André Kapanga, Director General, Tenke Fungurume Mining Kinshasa, DRC</i></li> <li>• <i>Déo Ngele Masudi, General Secretary, Kamenga, Gecamines, DRC</i></li> <li>• <i>Gustave Nzenze Rubuz, Chairman Board of Directors, Kamoto Copper Company SA. Kolwezi, DRC</i></li> </ul>
<b>17:30</b>	<p><b>Closing session:</b></p> <p><b>Closing remarks from the organisers</b>  <i>(Emmanuelle Nicholls, Group Director, Spintelligent, South Africa)</i></p>
<b>17:35</b>	<p><b>Closing address: From the Ministry of Mines</b>  <i>Senior Representative, Ministry of Mines, DRC</i></p>
<b>20:00</b>	<p><b>FBN Gala Dinner (by invitation only)</b></p>
